Sept. 7. On Saturday night, while the Fathers were in the confessionals at St. Joseph's, San Jose, a thief plied his trade on the top floor. His hands were smeared; he left smears on the locked door of the pastor. He took a paper knife and scissors from Fr. Carroll's room. From Fr. Donohue's room he took and kept a flash light. He discarded the knife and scissors on his hurried exit, when the Fathers came upstairs.

Sept. 12. Fr. Nagle approved as assistant at St. Joseph's.

Fr. Earley is in Long Retreat at Pomfret Center, Sept. 10 to Oct. 11. Fr. Rock had a bad time on his way east. He spent 10 days in the hospital at Niagara Falls. He could not make the retreat.

Oct. 15. Bishop-Elect, M.R. Timothy Manning, will be consecrated coadjutor bishop of Los Angeles. Fr. Eugene Toner, who was a classmate of the Monsignor, will attend the consecration.

Fr. Clyde Werts will shortly receive his science degree from Cal-Tech. He will then teach at Loyola U. Thanks to the courtesy of the pastor at Holy Family Church, Suth Pasadena, he was given board and lodging and a monthly stipend for helping out on Sundays. He virtually worked his way — and with scholastic honors—through the University.

At the request of the Archbishop of Los Angeles, Fr. McCummiskey has become chaplain for the blind. The Fifty-Fifty Club of Blessed Sacrament gave the blind a dance at the parish auditorium. A blind orchestra played. Members of the Fifty-Fifty danced with the blind. There was an ice-cream party for the visitors. The chaplain gave them all a very happy evening.

Fr. John McGloin is duplicating the state-wide journeys of Fr. Bouchard. The latter was an Indian who became a Jesuit in St. Louis. He came to California and preached eloquent and stirring missions in the mining camps of the Mother Lode, as well as in San Francisco and in Santa Clara Valley. Fr. McGloin is searching the records of several of the places in the Mother Lode Land.

Fr. Wm. McNally has had a siege at O'Connor Sanitarium, where he was operated on for a rupture.

In answer to the appeal for clothes for Europe, someone sent his old suit to Mt. St. Michael's. Then with a shock he remembered that he had left \$1500 in the suit. A frantic search at the Mount discovered that the Europeans had not yet received these clothes, nor had anyone removed the money—much to the man's relief. However, he did not get it all back. In gratitude he donated some of it to Jesuit Relief.
